Assignment 4 – Digital Art Writing Assignment

Due Friday, March 2 (you have 14 days)

For this assignment, write between 800 and 1000 words on the topic "Digital Art". Some questions you might want to consider: How is working with digital media different than working with other media? How is it similar? How does the internet affect how artists work and communicate?

Present your finished text as a web page.

Assignment 4 is due on **March 2**. On that day you should hand in your work for grading (as an HTML file).

You will have some class time next week to work on this assignment.
